Fully funded courses to support your development. We deliver accessible, high quality, locally delivered learning to adult residents in Gloucestershire.

Do you need support to build your confidence and gain qualifications to help you progress?
We at PTS are here to help you.

There are a range of government funded schemes and training opportunities available to help you make sure that you are trained and qualified to support your career development, improving your skills and gaining nationally recognised qualifications to help your confidence, development and career journey.

We offer fully funded* courses such as:

- **English and/or Maths up to and including Functional Skills Level 2**
- **ESOL English and Maths**
- **Essential Digital Skills Qualification at Level 1 to support you in today's modern ICT world**
- **Employability support and career planning**

**Specific eligibility criteria applies.*

We offer tailored support in small groups which can be offered during the day or twilight around your other commitments.

Our programmes are tailored to your needs so please do not hesitate to access this funding for your future.

For more information to discuss your training needs, please contact Ewen Saunders on **ewens@trainandrecruit.com** or 01452 886 888.
